

Congratulations to the cast of NPB Nutcracker 2018!

Many factors go into casting any ballet, but especially this production. Best efforts were made to accommodate geographic location, keeping siblings and families in the same production, and give everyone the performance they requested. However, in order to keep the high-quality professional production for our audiences and also give each cast member a positive experience, we may not have been able to grant all requests. Please request to join the facebook group NPB Nutcracker 2018 sometime this week. A parent meeting will be held Saturday August 4 at 11:00am via facebook live video in which we will go over important cast information. (If you do not have facebook, email janet@northpointeballet.org) We look forward to an exciting new Nutcracker season with all of you!

Act 1
