

Piqué Tour

[pee-KAY toor]

Piqué (pricked), turning. This is a pirouette in which the dancer steps directly onto the point or demi-pointe with the raised leg sur le cou-de-pied devant (in front) or derrière (behind), in attitude, arabesque, or any given position. This turn is executed either en dedans (counterclockwise) or en dehors (clockwise).

PIQUÉ TURNS

(aka posé turns)
